Assembly Instructions

The package contains 4 sheets, consisting of two double sheets.

After assembly the trays are put in up to two layers in the original game box.
Ordinary PVA glue is required when assembling each tray.

Please make sure you dry-assemble each tray correctly before gluing it together.

The parts marked in grey in Sheets A1, B1 and B2 can be disposed of prior to assembly.

Please check www.foldedspace.com for general assembly tips.
